

**Third Frontier Fuel Cell Program
FY09 Request for Proposals**

RFP Modifications and Clarifications

Updated as of July 30, 2008

- In section 1.2.6, “Review and Evaluation of Proposals”, the last paragraph has been slightly modified. The new language is as follows:

“In addition to the external review, Development may review applications to assess: 1) past performance of Lead Applicant and its team; 2) Proposal’s strategic fit with prior Third Frontier investments, other State investments, Development’s strategies, and the Ohio Board of Regent’s strategies; and 3) the impact of the proposed efforts on the State of Ohio’s economy. The results of such review will be presented to the OTFC for its consideration.”
- The title of Budget Form 4 has changed from “Cost Share Funds – Source and Use of Funds” to “Cost Share Funds – Source of Funds”.
- The bottom of Budget Form 2 has been slightly modified. The new language is: “A Source of Funds Table must be submitted by the Lead Applicant”.
- The bottom of Budget Form 3 has been slightly modified. The new language is: “A Source of Funds Table must be submitted for each Collaborator committing cost share.”
